

*St. Mark's enthusiastically welcomes newcomers and visitors! First-time visitors to worship services who identify themselves as such are presented with a "love bag" containing a loaf of homemade bread, a brochure about St. Mark's, and an information card to fill out should one wish to receive Red Lion Weekly, our weekly e-newsletter, as well as other communications from St. Mark's. It is not necessary to become a "member" of St. Mark's in order to participate in the life of our community; however, if you are an Episcopalian and would like to have your "letter" transferred, or you would like to inquire about confirmation or reception into the Episcopal Church, please contact the church office.*
